"America's Big Band Hall OF Fame Search"

This is the first company to look for Big Band talent in the United States. This company was formed by Cliff Ayers, a Big Band Hall of Fame member since 2000.

The purpose of this company is to continue to promote the Big Band music and songs, that had been popular for over 40 years. This form of music has far surpassed any other form of music longevity.

The Big Band Search will look for Big Band music students in schools and other venues that have Big Band orchestrations.

We will invite Big Band Radio DJ's and vocalists plus Songwriters to join in this Big Band Search. Big Band's should have some standard orchestrations and songs like that Glen Miller, Tommy Dorsey, Artie Shaw, and other Big Bands in this gender.

This show will be televised in the local areas that will participate in this years Big Band's Search which includes NYC, Chicago, Atlanta, Hollywood, Dallas and Miami. These cities are the first cities that have been chosen.

Five nominees will be chosen from each city. The only way to participate is to send a DVD or VCR of the band or talent to the Entertainer Network Box 17059 Nashville TN. 37217.

A group of producers, managers and promoters will evaluate the DVD's and VCR'S sent in and will choose 5 to be nominated in that city.

The nominees and talent will appear in their city on their local TV Station.

The show will be taped with the leader of each band and will talk about their band while the DVD or VCR is being played back during the TV-tapings. This show will be announced before hand when the show will be televised, during and after the showing of the TV Show.

Viewers will E-Mail their vote for their candidate. The E-Mail voting results will be announced, picking the local winner later.

All nominees will be made Honorary members of the Big Band Hall of Fame located in West Palm Beach FL. Total nominees in the six cities will be thirty and each nominee will receive a plaque to be shown and placed in the Big Band Hall of Fame Museum.

Two copies will be made for each nominee one copy to the nominee and one copy to the Hall of Fame.

All five winners of each city will be on a final TV show and the winner will receive a trophy and inducted as a full member of the Big Band Hall of Fame.

Many prizes and contracts will be given to all nominees from sponsors and contributors to Americas Big Band Hall of Fame Search.

This production is dedicated to Paul and Sally Bennitt who produced the Big Band Hall of Fame Ball for over eighteen years. Without them this show would not be possible.

God bless them
